# Gdje pronaći citate sivih publikacija?

Marijan Šember

Medicinski fakultet Sveučilišta u Zagrebu, Središnja medicinska knjižnica

# Siva literatura

## Examples of grey literature include:

technical or research reports  
committee reports  
market reports  
conference papers  
white papers  
poster  
pamphlet  
conference presentations  
blogs

emails  
podcasts  
government documents  
speeches  
preprint materials  
theses and dissertation  
newsletters  
clinical trials  
maps

# Repozitorij Medicinskog fakulteta

<http://medlib.mef.hr>

The screenshot shows the homepage of the Repository of the Faculty of Medicine, University of Zagreb. The header features the university's crest and the text "SVEUČILIŠTE U ZAGREBU" and "MEDICINSKI FAKULTET". Below the header is a navigation menu with links: Home, About, Browse, Search, Help, Usage reports, and Upute. A "Login" link is also present. To the right of the menu is a search bar with a "Search" button. The main content area is titled "Browse by Type" and contains a list of categories with counts: Article (1669), Book Section (7), Conference or workshop item published in conference proceedings (9), Book (2), and Thesis (732). The "Thesis" link is circled with a blue oval. At the bottom, a footer notes that the repository is powered by EPrints 3, developed by the School of Electronics and Computer Science at the University of Southampton, and provides a link for more information and software credits.

Obilježja bolesnika oboljelih od sistemskog eritemskog lupusa u Republici Hrvatskoj M Cerovec - 2012 - medlib.mef.hr

Systemic lupus erythematosus (SLE) is chronic, non-infective inflammatory disease of unknown etiology. Course of the disease is characterized with phases of remissions and exacerbations with affection of different organs. Thus, clinical manifestations may be various. The disease is more often in women of fertile age. SLE is systemic autoimmune disease characterized with formation of different auto-antibodies and immune complexes. Disposable immune complexes damage tissue and organs (almost every organ can be ...

# Pretraživanje GS

The screenshot shows a Google Znalac search interface. The search query "site:medlib.mef.hr disertacija" is highlighted with a large oval. The results page displays three academic papers from the MEF library's digital collection:

- Izrada mjernog instrumenta stresa na radnom mjestu bolničkih zdravstvenih djelatnika i procjena njegove uporabne vrijednosti** by M Milošević - 2010 - medlib.mef.hr. The abstract notes it is a DOCTORAL DISSERTATION from Zagreb, March 2010. It discusses stress measurement in hospital staff and its practical value. The PDF link is provided.
- Povezanost antropometrijskih i kardiorespiratornih funkcionalnih obilježja s pokazateljima tjelesne aktivnosti adolescenata i odraslih-longitudinalno istraživanje** by M Sorić - 2010 - medlib.mef.hr. The abstract explores the relationship between anthropometric and respiratory functional markers and adolescent physical activity over time. The PDF link is provided.
- Razvoj mjernog instrumenta za procjenu stigmatizacije duševnih smetnji u tiskanim medijima** by T Vukušić Rukavina - 2011 - medlib.mef.hr. The abstract discusses the development of a measurement instrument for mental health stigma in printed media. The PDF link is provided.

On the left sidebar, there are filters for search type (Članci), date range (Bilo kad: Od 2019, Od 2018, Od 2015, Odabrani raspon...), and citation filtering (Razvrstaj po važnosti, Razvrstaj po datumu, checkboxes for 'ukljući patente', 'ukljući citate', and 'Stvorи obavijest'). The right sidebar includes links for 'Moj profil' and 'Moja knjižnica'.
